to THE DESPATCH COMPANY.

WEDNESDAY OCTOBER 3, 1888.

The South in Congress. There are leading Republican speakers and leading Republican journals which

It is averred by such unserupulous Republicans not only that there are nine-teen Republican congressional districts in the South which are represented by Democrats, but that thirty-six additional representatives were accorded to the Bouth as a consequence of adding the new post-bellum amendments to the Federal Constitution. There are thousands of persons in the North who are firmly persuaded of the truth of this latter averaged. In Rochester Groups J. Whelan, an latter averaged by small offers were bulletined: Two hundred these industries and of American people have now envise industries and of American people have now envised by an association of these who is gallarily followed his lead to particular the history of the national Government. The result is that for more than a quarter of a century they have realized a departed of the truth of this latter averaged of the truth of this latter averaged of the truth of this latter averaged that the revenue, declares that this reduction must not be made at the expense of those industries and of American platform, while recognize the necessary of reducing the revenue, declares that this reduction must not be made at the expense of those industries and of American platform, while recognizing the necessary of reducing the necessary of redu sentatives as a consequence of including are 100 to 80 on Cleveland. all the necroes in the basis of representation of the last of the

vording of it shows first that when it was formulated it was not known how siny States would ratify the Federal to nine on CLEVELAND. constitution; and secondly, that as all the negroes were to be counted whenever of yesterday says: an apportionment of direct taxes was to fifths of the negroes to be included in the basis of representation. Taxation

Representatives shall be apportioned | To the Editor of the Dispatch:

has gained only two fifths of the reprepopulation. If, therefore, there are thirty six additional representatives and three of them are based upon the negro outside figure THIRTEEN !

There is the whole story. . The South has gained thirteen members of Congress, and the whole country is kept in turmed because of that fact. Thirteen To the Editor of the Dispatch; congressmen out of three hundred and twenty-five! Isn't that a matter of pected change in railroad transportation national importance.

A Negative Pregnant.

Hon. John F. Lewis denies in the following eard the truth of the statement concerning him which we copied from given out by the railroad agent at this the Alexandria Gazette into our issue of place, and it was published in our local highest interest of all, they should find au 25-2m. the 30th ultimo, Mr. Linwis's veracity papers, that the rate of fare, round-trip tickets, from this place to Bichmond had been fixed at \$3.40, or one ceedingly choice in selecting his words, though he is mistaken in supposing that 1st of October to the 1st of December. the Gazette's correspondent claimed to On the 1st of October we called for a have had an interview with lsim; for ticket to the Exposition and the agent that correspondent distinctly spoke of to \$6.85, and that it will only be good for what Mr. Lewis had said "in Washing- four days; also, he is only allowed to ton"-presumably to his Republican sell tickets two days in the week. friends. What a fine opportunity was Now the question is, Is it a scheme to here afforded Mr. Lewis to declare in his take advantage of those who may have note to us his belief that Manone would bound to go at all hazards, or is it done conduct the campaign in good faith and to keep the people away from Richmond? that the little General desired and I have heard many who intended to go to would work for the election of Mr. Yosr, Richmond say they will now stay at home We invite Mr. Lawis to use our paper to the extent of half a column or more in Rockingham. letting the public know what he thinks of Manone and Manone's methods, and of Manone's feelings towards Yost. Mr. Lewis writes us as follows:

ROCKINGHAM CO., VA., Oct. 1, 1888.

To the Editor of the Dispatch: ceived this morning, you publish from to-day under fair auspices in spite of the the Alexandria Gazette what purports to be an interview between the reporter of that journal and myself. I rarely notice such things, but the article you quote is so outrageously false that I feel containing to the largest size and best in strained to depart from my usual course quality. The ladies' department, as and say that there is not a word of truth in usual, is the chief attraction, being the report. I went to Washington on quite a museum. The races were run. private business and had no talk with The first, between four-year-olds, was won any reporter or politician, and as soon in 3:09 by Sam Purdy, Jr. In the second as I got through with my business left half-mile dash there were four to start,

As you have published the report of the Gazette I hope you will give this a place in your paper. Respectfully yours,

JOHN F. LEWIS.

The Chinese.
